DETAILED ACTION

1. Claims 13-15 remain pending and have been examined.

Information Disclosure Statement

2. Several of the information disclosure statements (IDS) considered by the Examiner and attached to the Office Action mailed 6-6-06 were inadvertently missing the Examiner's signature and / or initials indicating that they had been considered. The missing signature and / or initials have been entered and copies are attached to this letter.

The non-Patent literature documents that were indicated as missing from the file at the time of the mailing of the Notice of Allowance on 6-6-06 have been located and considered. They are not found to have any effect on the previously indicated patentability of the claims.

Allowable Subject Matter

3. Claims 13-15 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The closest prior art in the field, Landfield, US 5,632,011, and S. Kent, "Privacy Enhancements for Internet Electronic Mail, Part II: Certificate Based Key Management", Network Working Group Request For Comments 1422, Feb. 1993, do not teach the

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
